RZR 4 DOORS w/SLAM-LATCH SYSTEM

The Blingstar RZR 4 Doors are unlike any other door on the market. They are constructed with a 6061 aircraft grade aluminum and allow 14 more inches of access clearance than all other competition. The 2 front doors open suicide style and the 2 rear doors open standard. We completed these doors by integrating a high quality slam latch system for added safety and durability. Doors are available in black or brushed aluminum.

FEATURES:

- Front door opens suicide, rear door opens standard for easier entrance.
- 14 inches more entrance access than all competition.
- Made of aircraft grade 6061 aluminum for complete durability & Stability.

Front door opens suicide, rear door opens standard for more access clearance.

SIDE-X-SIDE BED COVER

SIDE-X-SIDE BED COVER

- 2 piece Fiberglass bed cover
- Dual locking system with 2 spare keys
- Dual hydraulic dampener for easy assist
- Store spare tire, expensive items
and much more with our locking hood bed cover

Dual hydraulic dampener

Dual locking system with 2 spare keys

SIDE-X-SIDE ROOF RACKS

2 PIECE BAJA ROOF RACK WITH NO SHADE COVER

- 6061 Aircraft grade aluminum
- Carries gas cans, camping gear, tires and more
- Built in whip mount
- Built in tie down hoops
- No rattling
- Low enough to fit in most toy haulers

BAJA ROOF RACK WITH FULL SHADE COVER

- 6061 Aircraft grade aluminum
- Carries gas cans, camping gear, tires and more
- Universal platform to allow most light bar applications
- Built in whip mount
- Built in tie down hoops
- No rattling
- Low enough to fit in most toy haulers

SIDE-X-SIDE FRONT & REAR BUMPERS

THE GLADIATOR BUMPER

Team Rockstar/Blingstar/Polaris uses our lightweight Gladiator Bumpers on all 6 of the Polaris race UTV's. These bumpers keep the weight down which allows for more horsepower. The Gladiator Bumpers are constructed of a 6061 aircraft grade aluminum. Available in powder coated black w/ black face plate or powder coated silver with brushed aluminum face plate.

Cast & Crew

THE FACTORY SERIES NERF BAR with INTEGRATED HEEL GUARD

OPTIONAL CARBON FIBER PLATE

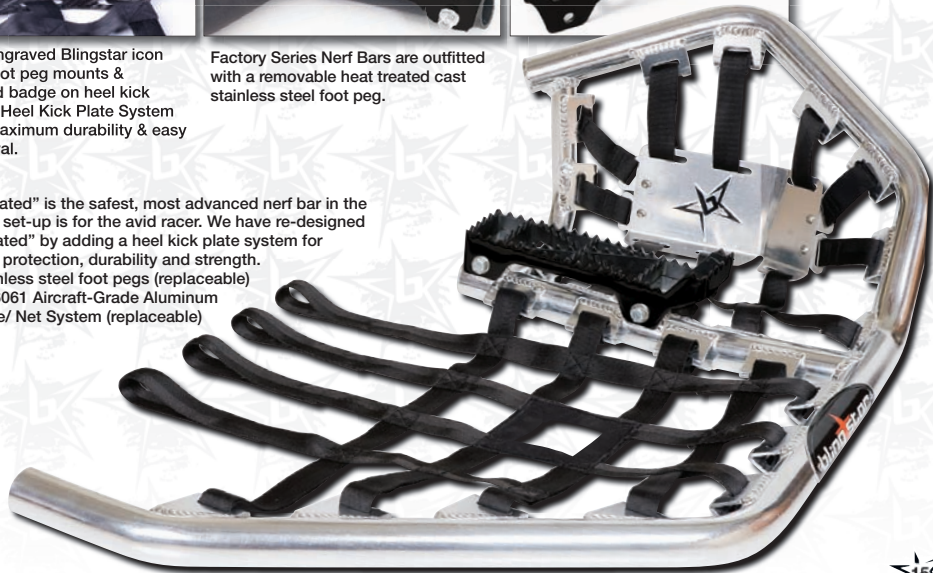

Features engraved Blingstar icon logos on foot peg mounts & icon riveted badge on heel kick plate. New Heel Kick Plate System provides maximum durability & easy mud removal.

Factory Series Nerf Bars are outfitted with a removable heat treated cast stainless steel foot peg.

The “integrated” is the safest, most advanced nerf bar in the world. This set-up is for the avid racer. We have re-designed the “integrated” by adding a heel kick plate system for added foot protection, durability and strength.

- Cast stainless steel foot pegs (replaceable)
- Durable 6061 Aircraft-Grade Aluminum
- Heel Plate/ Net System (replaceable)

THE NOTORIOUS HEEL GUARD & FLEX JOINT SYSTEM

Patent Pending Anti-Vibration Flex Joint System

Aluminum Heel Plate with Net System (Standard)

Durable 6061 Aircraft-Grade Aluminum

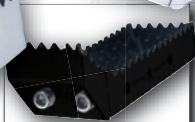

We are the first and only company in the world to offer a heel guard with an anti-vibration Flex Joint System. This advanced patent pending technology helps prevent breaking and stress cracks caused by extreme racing conditions.

SHOWN WITH OPTIONAL CARBON FIBER-HEEL PLATE

THE NOTORIOUS P.E.G.

The #1 foot peg on the market. The Notorious P.E.G. has a removable super kick peg-end for added control and stability. This one of a kind foot peg is made of 304 heat treated cast stainless steel. It features a high polished finish with an embossed black powder coated Blingstar logo and icon. Tested, raced and approved by 2X time GNCC Champion Chris Borich.

Now available in flat black.

The removable Super Kick® is the first of its kind. Designed for added control & stability. Peg-end simply unbolts for rider option.

THE NOTORIOUS NERF BAR 3PC. KIT

Piece together the ultimate set up when you combine the Notorious Nerf Bar, P.E.G. and Heel Guard combo. Each piece is sold separately. This kit (excluding the P.E.G.) is available in polished aluminum or textured black.

TEAM ROCKSTAR / BLINGSTAR GRAPHIC KIT

ROCKSTAR
ENERGY DRINK

blingstar

Rockstar Energy and **Blingstar** have teamed and will be releasing their own line of UTV products. The first product to market is the Team Rockstar/Blingstar Graphic Kits.

These graphics may look familiar as they have recently been blasted all over the UTV racing scene. The Rockstar/ Blingstar UTV race team sports these custom graphics on their 6 car team.

(door graphics sold separately)

THE ROCKSTAR/BLINGSTAR GRAPHICS KIT

ATV BUMPERS / ROCK GUARD

Note: All bumpers are available in ball-burnished aluminum or textured black.

THE ATTACK

THE XC RODEO

THE MOTO 1

THE VICTORY

THE MALTESE

THE IRON CROSS

ROCK GUARD

The Rock Guard protects your radiator and vital electrical components. Blingstar team riders say this product is a must for muddy race conditions. Bolts on to existing upper shock mount bolts. Available in polished aluminum and textured black. (Fits the Suzuki QuadRacer R450 only.)

ATV GRAB BARS

THE XC RODEO GRAB BAR

Our design team and Chris Borich teamed up for this well thought out grab bar. With a lowered rear grab point, you have more leverage to maneuver out of tight situations while enduring the most extreme cross country race conditions. Available in polished aluminum or textured black.

Lowered grab handle for extra leverage

MX GRAB BAR FOR LTR450

This grab bar/number plate combo was designed specifically for Factory Suzuki. The aluminum number plate bracket is precisely structured to hug the lines of a factory or aftermarket center pipe mount to give a clean sleek finish. Available in polished aluminum or textured black. Hardware and number plate included. Note: Once this product is mounted, it does not support the factory brake light. Fits the Suzuki QuadRacer R450 only.

THE MX SERIES GRAB BAR

Our NEW MX Series Grab Bar incorporates a new down swept design, for better leverage when lifting your ATV, it helps to move rear of the bike around much easier in all applications. Also it includes a number plate mount for racers and a center flag mount for sand duners. Comes with a white number plate and hardware. Available in polished or textured black. (Note: Once this product is mounted, it does not support the factory brake light)

ATV GUARDS & AXLE NUT

DUAL SPROCKET GUARDS

- Made from 6061 billet aluminum
- Designed to maximize ground clearance
- Reduces weight
- Provides better protection for chain and sprocket
- Decreases the possibility of chain derailment
- 3/8" thick outer guard
- Mud and debris clean outs machined into inner guard
- Outer notches to help with traction over rocks and logs
- Installs in minutes without hub or axle removal
- Works with 36- 40 tooth sprocket

ROTOR GUARD

- Made from 6061 billet aluminum
- Designed to maximize ground clearance
- Reduces weight
- Provides maximum protection to key brake system components
- Maintains same relationship as the dual sprocket guards

PRO BLOCK

- Works in conjunction with the Rotor Guard
- Recommended for extreme riding/ racing conditions
- Maintains maximum ground clearance
- Mounts to swingarm
- Will not work with Rotor Guards made before Mar. 2011
- Made from 6061 Billet Aluminum

FRONT SPROCKET GUARD

- Protects the rider from the Sprocket
- Helps prevent chain derailment
- Speeds up sprocket removal
- Creates a clean look
- Made from 6061 Billet Aluminum

AXLE NUT

- Clamp action lock nut
- Light Weight
- Made from 6161 Billet Aluminum

THE PRO-LATCH

Blingstar is already known in the industry as having the most innovative, durable, well thought out products on the market. Here is another reason why Blingstar smokes the competition. We are now offering the Pro Latch system that keeps UTV doors secure and snug and also eliminates unnecessary movement or rattling while racing or extreme trail riding.

PRODUCT FEATURES & BENEFITS:

- Built-in drag keeps latch handle stationary when unlatched
- Curved T-handle style provides sure grip for operating latch
- Great safety feature for family trail rides
- Completely non-corrosive materials
- Secure Band mounts from door to inside of cab
- Easily installs in minutes

BLOCK-OFF PLATE

The Door Block-Off Plate is for the UTV enthusiast that plans on off-roading in wet terrain. Just bolt the plate on, and then go tear up those muddy trails once again! When the conditions are dry, just simply unbolt the plate and utilize the site window for increased visibility on rock crawling and hill climbs.

FEATURES:

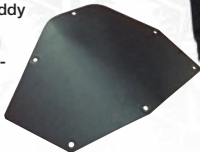

- Made from 3 Mil Expanded PVC

*The Blingstar PRO LATCH
will work on all UTV Door Brands!*

Safely secures door while eliminating any unwanted rattles.

BLINGSTAR MX NUMBER PLATE PACK

Blingstar MX # plate backs come in sets of three. Available in blue or black with white trim.

IRON CROSS NUMBER PLATE

Blingstar's Iron Cross number plate is designed to fit inside all Blingstar Iron Cross bumpers except the mini version iron cross. This kit also comes with two die cut Blingstar logo fender stickers.

HOLESHOT BROOM

Use this 2 piece Holeshoot Broom to dial in those concrete starts. This re designed broom unscrews in middle for storage purposes. Comes with a gripped handle and built in scraper to remove unwanted dirt at the starting gate. Dimensions: 10.25" w x 3.5" t x 4.5" d (Handle 57.6")

SHIPPING

Our standard shipping method is U.P.S./FedEx Ground. Other shipping options are available at an additional cost. Orders shipped to Alaska and Hawaii must ship by U.P.S./FedEX 2nd Day Air or Next Day service. All orders shipped outside the U.S. will incur additional shipping charges that will be e-mailed to you prior to shipment.

Some items may be subject to additional shipping charges due to weight or dimension. Your actual shipping on these items may vary from the shipping cost quoted on the web. You will be notified of these changes via e-mail prior to shipment.

In-stock orders placed before 12 p.m. P.S.T. Monday through Friday will ship within two business days. Orders placed after 12 p.m. P.S.T. Monday through Friday and orders placed Saturday and Sunday will ship the third business day.

BACKORDERS

In the event that some items are temporarily out of stock or unavailable, your order may be shipped partial. Your credit card will only be billed for the items that actually ship. Shipping charges will be divided on multiple shipments, and will not exceed the original amount quoted on your order. You will be notified via e-mail on the status of backordered items.

RETURNS

Good, Unused, or Defective merchandise may be returned for a refund, credit, or exchange, within 14 days of receipt. Please call us

to obtain a Return Authorization Number. Pack your return in the original package, if possible, and clearly write the Return Authorization Number on the outside of the package. Returns not displaying a valid Return Authorization Number will be refused. Returns are subject to a restocking fee. Please ship returns via U.P.S./FedEx Ground or insured U.S. Mail. Packages must be returned prepaid; we cannot accept C.O.D. deliveries. Please note that we do not refund shipping and handling charges.
